

Dear Scholarship Applicant:

The Community Assistance League (CAL) is a nonprofit organization open to all women interested in helping their community.

Our Continuing Education Scholarships are offered to any deserving citizen of Bonner County who has been out of high school for at least one year, is not currently enrolled in school and who wishes to pursue a higher education at an accredited college, university or vocational school.

The CAL Scholarship Committee will make its selections on the basis of past academic achievement, personal goals, school and community involvement, work experience and financial need.

The scholarship must be used during the upcoming school year. The funds will be sent directly to the college when the CAL Treasurer receives proof of registration.

The applications will become the sole property of CAL and will be kept confidential.

Use of any application other than the one provided will not be evaluated for an award.

Application must be submitted no later than Monday, April 11, 2012. Scholarships will be awarded by May 16th.

Best of luck in your future endeavors.
