

The Crain Family Scholarship

This scholarship is for a Sandpoint High School graduate who is attending a four year accredited university and majoring in science, engineering or technology.

This scholarship will be awarded to an individual with strong character, work ethic, perseverance and appreciation for the opportunities a higher education can bring to one's future. The whole person will be evaluated including interests, activities, grades, desire, and financial need. All interested candidates should submit the common scholarship application to the counselor's office.

The Crain Family Scholarship is for \$2000 per semester for tuition, renewable for a maximum of 8 semesters, payable to the university's finance office upon proof (per semester) of a minimum GPA of 2.5 and progress toward their degree.

We sincerely believe in the life-long benefits of higher learning and want to help support a deserving student striving to reach their goals.
